Membership

There will be 5 categories of membership.

- MEMBERS** : Cardiologists, who are actively performing pacing or electrophysiology procedures after completion of 5 years of their cardiology degree (DM, DNB of equivalent)
- ASSOCIATE MEMBERS** : Cardiologists who are actively performing treatment of cardiac rhythm disorders but have not completed 5 years since their degree. Associate members can apply for full membership after completion of 5 years from the date of cardiology degree (DM, DNB or equivalent). Associate members will not have voting rights.
- MEDICAL INDUSTRY** : Medical Industry will nominate their technical experts and marketing person as “Associate Members”. They will have no voting rights and cannot proceed to membership.
- INDIVIDUAL MEMBERS** : Those who are attending the regular curriculum of DM, DNB or equivalent degree but have not yet been awarded the degree and have interest in pursuing pacing or electrophysiology as career. They will be eligible for an associate membership after completion of the degree.
- OVERSEAS MEMBERS** : Eminent cardiologists from the field of electropysiology or cardiac rhythm disorders. This will have all the privileges of the members of the Society but will not have voting right or hold any position in the executive committee.
